

## BUSINESS COMMITMENT OF ENTERPRISE ZONE CREDITS

The Evansville Enterprise Zone Program was re-designated in January 2004. For new businesses to participate in the zone program, they must complete this form and return to us. **(Failure to sign and return this form will prohibit you from being accepted into the zone program.)**

- 1.) Complete the EZB-R Form (Registration Form) each year for the prior year's enterprise zone filings of EZ-2. Also, remit a 1% fee to the Indiana Economic Development Corporation if the total savings is greater than \$1000;
- 2.) Reinvest your savings into zone business location;
- 3.) Assist the EUEA by contributing toward zone projects and management as invoiced by the EUEA on a fair share basis.

The annual fair share percent return of a physical zone business's total gross tax savings is twenty-five percent (25%). This percentage is subject to revision as authorized by I.C. 4-4-6.1.

The EUEA is charged by law with the responsibility of operating our program according to the State Statute. If all three of the above are not satisfied, we are to begin disqualification proceedings. The UEA Board of Directors does not take this responsibility lightly. Twelve firms were disqualified in the zone in since its inception. These firms were required to pay back property tax on the prior year's exempted inventory and/or were prohibited from using the Indiana income tax exemption portion of the program.
